Dear Parents,

I am pleased that you are considering choosing Boulevard Presbyterian Church Preschool as your child's preschool. I understand that this may be your child's first school experience and our staff strives to make this introduction to school a positive experience for your child and your family. We place a strong emphasis on the family-school relationship. We want to work together with you in the best interest of your child. The friendships, relationships, learning habits, and social skills your child begins to develop during these preschool years will be a foundation for their future school experiences. Play is an integral part of our daily program. Children are encouraged during free play to explore a variety of creative experiences. Play fosters a child's social and emotional growth and development as they learn to become a part of a group and a caring community. Many hands-on activities to develop small motor skills as well as art, science, and dramatic play are included in a preschool day. An outdoor play area with climbing equipment, as well as an indoor activity room, promotes large muscle development. Language and readiness skills are fostered through sharing, songs, stories, finger plays, table toys and group activities. Math skills are developed through calendar, counting, matching, number puzzles, sorting and group activities.

Our curriculum is child centered and developmentally appropriate for the preschool child. We emphasize hands-on, play based learning throughout our classrooms. We use the Ohio Early Learning and Development Standard Implementation Guide in the planning of our theme-based curriculum, our monthly themes and weekly units are designed to include the Ohio Early Learning Content Standards. These standards include Social and Emotional Development, Approaches Toward Learning, Physical Well Being and motor Development, Language and Literacy Development, Mathematics, Science, and Social Studies. Our lesson plans are aligned with these standards. We adhere to the guidelines set forth by the state of Ohio and we strive to provide an environment and activities that help children feel secure to develop active and inquisitive minds, healthy bodies, growing friendships and happy hearts.
