Dear Parents,

I am so pleased that you are considering choosing Boulevard Presbyterian Church Preschool Full-Day Program as your child's preschool. I understand that this may be your child's first school experience and our staff strives to make this introduction to school a positive experience for your child and your family. We place a strong emphasis on the family-school relationship. We want to work together with you in the best interest of your child. The friendships, relationships, learning habits, and social skills your child begins to develop during these preschool years will be a foundation for their future school experiences.

Our curriculum is child centered and developmentally appropriate for the preschool child. We emphasize hands-on, play based learning throughout our classroom. Our monthly themes and weekly units are designed to include the Ohio Early Learning Content Standards of Language Arts, Mathematics, Science, and Social Studies. Our lesson plans are aligned with these standards. We adhere to the guidelines set forth by the state of Ohio and we believe our classroom provides an environment and activities that help children feel secure to develop active and inquisitive minds, healthy bodies, growing friendships, and happy hearts.

Please call me with any questions you may have about our full day preschool program. I would be pleased to make an appointment to meet with you and your child.

Thank you for considering Boulevard Preschool.
