PRELUDE

WELCOME AND ANNOUNCEMENTS

Emily Krause Corzine

*CALL TO WORSHIP

Come, Lord God, and be with us in this hour.

Too often our cares and our worries keep us at a distance from our God.

Come, Lord God, and speak a word of comfort to your troubled people.

Help us hear you, Lord God, in the quietness of these moments.

*OPENING HYMN 401 “Here in This Place”

*OFFERING OUR BROKENNESS TO GOD

God our Creator, we confess that in our busy lives, we do not always make time to love, to pray, or to sing your praises. We want to be strong, yet we often feel out of control: buffeted by the winds of change, rocked by the earthquakes in our relationships, burned by the fires of doubt. Forgetting what we cannot see, we ask, “Why have you forgotten me?” Help us trust your presence, even when we feel utterly alone, trapped in our dark night of the soul. With the promise of Christ as our hope, lead us from our own wilderness wanderings into the well-tended garden of your love. . . . Amen.

*ASSURANCE OF PARDON

*EXCHANGE OF THE PEACE

The peace of the Lord be with you! **And also, with you!**

*PRAYER OF DEDICATION

Loving and Faithful God, we gather this day to give you thanks and praise. For you are good. Your steadfast love endures forever. We give you thanks for the many ways you show up in our lives in unexpected ways. Bless the offerings of our life and labor this day. May they be acceptable in your sight and may they be used for the building up of your kin-dom here in this place, in our neighborhood and in the world. Help us to have grateful hearts and to live as the joyful people of God; through Jesus Christ, our Lord. Amen.

PRAYERS OF THE PEOPLE AND THE LORD’S PRAYER

Our Father, who art in heaven, hallowed be thy name, thy kingdom come, thy will be done, on earth as it is in heaven. Give us this day our daily bread; and forgive us our debts, as we forgive our debtors; and lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power and the glory, forever. Amen.

ANNOUNCEMENTS

“ELECTRIFY CENTRAL OHIO” Additional information for today's 11:15 class in the Chapel -

Technological innovations over the last decade have made it more affordable and achievable for ordinary people to switch from burning fossil fuels to using all-electric appliances powered by clean energy to significantly reduce their household greenhouse gas emissions. You may have already installed solar or bought an electric vehicle and now want to know what to do next, or maybe you're just beginning to think about what you can do. Either way, join this free information session to learn about the most important steps to comprehensively switch to clean energy, which new federal climate programs can help you along the way, and how our newly launched Central Ohio Electrification Group can provide an avenue to share advice and information for successfully completing these projects. A Q&A session will be included. Presented by Madeline Fleisher, clean energy attorney and member of Sustainable Upper Arlington, and Andy Leber, organizing member of Sustainable Grandview.
